

Badla sama hai
Khushoo rawa hai
Rango mein dooba

Mera jahan hai

Haan hai kitne haseen teri dosti
Haan lagi hai nai mujhe zindagi

Ab chahe ho khushi
Ya chahe ho gum
I'll be there for you

Yaari teri meri kabhi na hogi kam

I'll be there for you

O hum parinde hai hawa pe solenng
Hum aasmaan ke holenge
Dekhna hum aasmaan ke holenge dekhna
Yaara hum badlo pe dolenge

Girke phir sambhlna hai
Ab saath mein chalna hai
Apne hi rang mein
Duniya ko rangna hain

Girke phir sambhlna hai
Ab saath mein chalna hai
Apne hi rang mein
Duniya ko rangna hain

Ab chahe ho khushi
Ya chahe ho gum
I'll be there for you

Yaari teri meri kabhi na hogi kam
I'll be there for you
Phool bhekre hain hamari raahon mein
Abb to jannat hai hamrari bahon mein
Hain na

Abb to jannat hai hamrari bahon mein
Yaara hum hai khushi ki chao mein
Abb dori bhi kehti hain
Tere sang rehna hai

Beech mein na duniya aaye
Duniya se kehna hai
Abb dori bhi kehti hain
Tere sang rehna hai
Beech mein na duniya aaye
Duniya se kehna hai

O baby

O baby i'll there for you

I'll there for you
I'll there for you

Yaari teri meri kabhi na hogi kam

I'll be there for you

Dont you know
I'll be there

Ab chahe ho khushi
Ya chahe ho gum
I'll be there for you

Yaari teri meri kabhi na hogi kam

I'll be there for you

Ab chahe ho khushi
