Kitna karti ho tum jhol
Hum na hote dama-dol

Baby jo maango dila denge

Tu seedha humko bol

Daddy aaye jo ha khol
Ready steady kardo go

Gadi do sito ki rakhi
Kyunki bande hai bus do

Tera bag teri nf gucci kaali rang di
Baate apni zyada unchi baby

Neeche bugatti rakh di
Illuminaughty lag di
Kudiya tu papi lag di
Illuminaughty naughty
Illuminaughty naughty
Illuminaughty lag di

Frock tera yellow yellow yellow wala
Walk tera jelo jelo jelo wala
Husn tera lava lava jwala jwala
Dabake aankhon mai tune maar dala
Tumpe haar wala mujhpe toh hazar wala
Chorro nakawali laadenge meena bazar wala

Humko gyan hai tu dikhne mai insaan hai
Nanhi si tu jaan hai par andar se shaitan hai

Breakup ki party rakh di
Illuminaughty lag di
Kudiya tu papi lag di
Illuminaughty naughty
Illuminaughty naughty
Illuminaughty lag di

Tu shaitan ki puzari
Baby bhi hum bhi zamana pari
Humpe na chalne ka jaadu
Hum hai bhole ke shikari

Tu shaitan ki puzari
Baby bhi hum bhi zamana pari
Humpe na chalne ka jaadu
Hum hai bhole ke shikari

Tu shaitan ki puzari
Baby bhi hum bhi zamana pari
Humpe na chalne ka jaadu
Hum hai bhole ke shikari

Kudiya tu papi lagdi
Illuminaughty lagdi
Neeche bugatti rakh di
Illuminaughty naughty
Illuminaughty naughty
Illuminaughty lag di
