I feel high... I feel high  
I feel high am i on sky

En uyire... En nigare...  
Un aruge... En nizhale...

Imaikkariye ennai izhaithaayadi  
Kadai paarvaaiyal ennam karaithaayadi  
Mazhal charale ennai azhaithaayadi  
Nanaikamale nenjam niraithaayadi

Kodhum un kaiviral  
Podhum paeranbe  
Yaadhum nee enbadhaal  
Sogam yedhinge

Oh mozhi edhum  
Munagaamal  
Pasidhaagam unaraamal  
Un kangal paarthu kidakavaa

Pidivaadham kuraiyaamal  
Nodi neram vilagaamal  
Kadhoram mutham padhikavaa

Saerum kadal...  
Aagum udal..

Kaatril neeragave  
Moochil modhidavaa  
Neram paaramale  
Kadhal seidhidavaa

Hey.. Uraiyaadal kuraiyaamal  
Vayadhodum valayamal  
Kaalangal thindru theerkava

Adhigaram enadhagi  
Adhikaalai namadhaagi

lyrics

Theneer nee pottu kondu vaa

En moochile...

Un kuchale...

Look into my eyes

Look into my eyes

I feel high... I feel high

I feel high when you are my side

I feel high... I feel high

I feel high when you are my side

En uyire... En nigare...

Un aruge... En nizhale...

Imaikkariye ennai izhaithaayadi

Kadai paarvaaiyal ennam karaithaayadi

Mazhal charale ennai azhaithaayadi

Nanaikamale nenjam niraithaayadi.
