Yeh toh khud hain meri zulfon ke tale
In baharon mein akele na phiro,

Yeh fizzae yeh nazare shaam ke,
Saare aashiq hain tumhare naam ke
Yeh fizzae yeh nazare shaam ke,
Saare aashiq hain tumhare naam ke
Phool kaheti hain hoo
Phool kaheti hain tumhe bade saba,
Tumhe bade saba,
Dekhana bade saba rok na le
In baharon mein akele na phiro,
Raaho mein kaali ghata rok na le
Mujako yeh kaali ghata rokegi kya

Mere kadamo se baharon ki gali,
Mera chehara dekhati hain har kali
Mere kadamo se baharon ki gali,
Mera chehara dekhati hain har kali
Jaante hai sab hoo
Jaante hai sab muje gulajar mein,
Muje gulajar mein,
Rang sab ko mere hothon se mile
In baharon mein akele na phiro,
Raah mein kaali ghata rok na le
Mujako yeh kaali ghata rokegi kya,

Baat yeh hain kyun kisi ka naam loon
Hona aisa main hi daaman thaam loon
Baat yeh hain kyun kisi ka naam loon
Hona aisa main hi daaman thaam loon
Jaa rahi ho tum hoo
Jaa rahi ho tum bade andaaz se
Bade andaaz se
Meri chahat ki sada rok na le
In baharon mein akele na phiro,

Raah mein kaali ghata rok na le.
