Manithathil virus paravum
Manitha konjam gavanam

Thalaiya kizha thonga pottukitte nadakkurom
Ovvoru prachanaiya thakkunu than kadakkurom
Adutha thalai muraiyayum sernthu kedukkurom
Ennachi nanba naama veruppayum vithaikkurum

Poi edhu mei edhu theriyama muzhikkirom
Ullukulla azhunthutu veliyila sirikkurum
Thappu nandantha udane silukkurom
Aprum than yen atha marukkurom

Thozhil nutpathile ulagam
Thozhil nutpam seiyum kalagam
