

Since god is willing to experiment  
Everytime you pay a compliment  
Incubated just for death

It's really with no breath  
If you see..i have no choice  
Star is..experimenting  
I've screams from my inner voice  
Bharatlyrics.com  
Everytime you pay a compliment  
Incubated just for death  
It's really with no breath  
If you paid just for death.
