

Innenthe Lyrics

Innenthe koorirul pothiyana
Kannathe neermani nirakkana
Ullanthe chenkanal erikkanu
Anbe enge maanju

Thottante kaattala parajathu
Vinninte kaarmukhil anijathu
Vittente poyathen nizhal kili
Ottakkanu novil

Vidayethum parayaathe akale marayunno neeye
Iniyille alivolum viralaal thazhukeedum sneham

Innenthe koorirul pothiyana
Kannathe neermani nirakkana
Ullanthe chenkanal erikkanu
Anbe enge maanju

Manjani kuliru cherum chanthana theli nilaavayi
Nombaram akalum thaarattayi nee maari irulirave
Kunjilam kurumbu kaattan ennumen arikil koottan
Kanmani koodennu poovayi nee kathenne mizhiyinayil

Vidayethum parayaathe akale marayunno neeye
Iniyille alivolum viralaal thazhukeedum sneham

Innenthe koorirul pothiyana
Kannathe neermani nirakkana
Ullanthe chenkanal erikkanu
Anbe enge maanju

Mathilakam ithinakam oru thadavara
Athilakam iru puthiyoru padayoru kadapidich chada
