

Nirdhan kaa ghar lutane vaalo
Lut lo dil kaa pyaar
Pyaar vo dhan hai jisake aage
Sab dhan hai bekaar

Insaan bano, insaan bano karalo bhalaai kaa koi kaam
Insaan bano
Duniyaa se chale jaaegaa rah jaaegaa badanaam insaan bano

O is baag me suraj bhi nikalataa hai liye gam
Phulo ki hansii dekh ke ro deti hai shabanam
Kuchh der ki khushiyaan hai to kuchh der kaa maatam
Kis nid me ho
Kis nid me ho jaago zaraa dekh lo anjaam, insaan bano

O laakho yahaan shaan apani dikhaate hue aaye
Dam bhar ko rahe naach gaye dhup me saaye
Vo bhul gaye the ke ye duniyaa hai saraay
Aataa hai koi
Aataa hai koi subah ko jaata hai koi shaam, insaan bano

O kyo tumane lagaaye hai yahaan zulm ke dere
Dhan saath na jaayegaa bane kyo ho lutere
Pite ho garibo kaa lahu shaam savere
Khud paap karo
Khud paap karo naam ho shaitaan ka badanaam, insaan bano

Insaan bano, insaan bano karalo bhalaai kaa koi kaam
