Zero to infinity

In the morning  
Uthte hi phone dekhun  
Hai tera update kya  
Kiya follow  
Maine bas tujhko hi  
I love to see your instagram

In the morning  
Uthte hi phone dekhun  
Hai tera update kya  
Kiya follow  
Maine bas tujhko hi  
I love to see your instagram

Bed tea se pehle  
Main dekhoon teri picture  
Banaun ek dil beech mein  
Double click kar!

BHARAT  
lyrics

Jaan leti teri picture  
In your bistar  
Jo uht kar tu daale neeche  
"good morning" likh kar  
No filter  
You just need a camera

Waise hi ho sundar baby  
Makeup na laga lena

Sun'na sahelion ko unko hai jealousy  
Karti hain woh jealous feel  
Kyon ki tu hai insta queen

Baby teri jaisi koi nahin, koi nahin  
Poori duniya se kaise khudko bachayegi  
Teri kafi zyada following, following  
Sochu kya tu mujhe dekh paayegi

In the morning  
Uthte hi phone dekhun  
Hai tera update kya  
Kiya follow  
Maine bas tujhko hi  
I love to see your instagram

In the morning  
Uthte hi phone dekhun  
Hai tera update kya  
Kiya follow  
Maine bas tujhko hi  
I love to see your instagram

Am se pm  
Main bhejun tujhe dm  
Baar baar karoon check  
Have you seen them  
Did you receive them?  
Agar haan, to read them  
Aur baakiyon ke messages, delete them  
You don't need them

Hey boy! Maine abhi dekha  
Har woh message jo tune mujhe hai bheja  
Har pic pe comment hai tera  
Dil kiya page tera check karne ka

Bad boy karungi tujhe add boy  
Badha doon teri following  
Bad boy tu hoja thoda back boy  
Maar doongi bina warning

In the morning  
Uthte hi phone dekhun  
Hai tera update kya  
Kiya follow  
Maine bas tujhko hi  
I love to see your instagram
