

Kyun dil mein yaar rehta hai
Kyun dil mein pyar rehta hai
Mere janeja na jaane kyun
Dil beqarar rehta hai
Milta nahihai
Milta nahi hai jo
Uss ka

Kyun intezaar rehta hai
No matter where you go
Kyun intezaar rehta hai
No matter where you go

You touch my heart with
Every word you say
You touch my heart in
Every single way
Every night and day
I am thinking of you
I think i love you love you
I think i love you love you

BHARAT
lyrics

Iss pyar ke
Siva kuch bhi didaar ke
Siva kuch bhi
Iss pyar ke
Siva kuch bhi didaar ke
Siva kuch bhi aata nahi
Hai dil ko kyun
Ik yaar ke
Siva kuch bhi din raat
Ek nasha sa
Din raat ek nasha sa kyun

Dil par sawaara rehta hai
No matter where you go
Kyun intezaar rehta hai
No matter where you go

You touch my heart with
Every word you say

You touch my heart in
Every single way
Every night and day
