

Inthandham Song Lyrics

Inthandham dhaari mallindhaa
Bhoomipaika cherukunnadhaa
Lekunte chekki untaara
Achchu neelaa shilpa sampadaa

Jagatthu choodani
Mahatthu needheley
Nee navvu thaake
Tharinche thapassilaa

Nisheedhu lanni
Thalonche thushaaraanivaa

Needhey veloo thaaki
Nele inchu paiki
Thele vintha vaikhari

Veede veelu leni
Edho maaya loki
Laage pilla themparee

Nadhilaa dhooketi
Nee paita sahaja gunaam
Pulilaa dhaagundi
Vetaade paduchudhanam

Daasohamandhinaa prapanchame
Adhantha nee dhaye

Chilake koka qatti

Ninne chuttumutti
Seethaakokalaayenaa

Ville ekkupetti
Mello thaali katti
Maralaa raamudavvanaa

Andham nee inta
Cesthondhaa oodigame
Yuddham chaatindhi
Nee paina ee jagame

Dhasoyamadhi naa prapanchame
Adhantha nee dhaye.
