

Inthena Song Lyrics

Inthena inthena
Oka maataina matadavedhaina
Inthena ika inthena
Yenni aasaltho ala nuv ni chenthana

Kaalame maarena dhurame cherinaa
Vasanthamegire yadaari yedhuraina
Ee roju kosam vechindhi naa praname
Ee roju kuda gelichindhile nii mouname

Sootiga chupadhe nii gunde chaatu
Bhavaala baadhane nuvve
Yala cheppali yala adagaali
Nathotilaa aatalaadeti raathalaa nuvve

Paataalu chadhivina kaalam nuvve
Ppataalu nerpina kaalam nuvve
Ardham avvani paatamalle prathi kshanam
Naa nuvve

Sandhraalu dhaatenu naa rekkale
Thiraalu thaakenu naa parugule
Manasu maatram nuvvu
