

Intro – Kaun Hai Song Lyrics

Hale tak mainu on television
Kismat check kare mera patience
Aur jur vangu main position
Hip-hop mere liye lord krishan

Mere list to bhar saare fake friends
Gallan bajian mein ? Not end
Navi life nava paisa na? Shake hand
Navi kudiya te naal nava weekend
Wo sariyane aadte main petrol
Jado gava main galjuz control
Jide entry main mari
Uthe kheech leva bhid saari
Mu khele mera jive blackhole

New watch new chain duron di chamkatu
High in a style je main tara tim-tim
Kholanda kismat meri karke hard work
Je bolanda teen word khul ja sim-sim
