

Is ada se salam lete hain
Is ada se salam lete hain
Jaise kuchh intikaam lete hain
Ham mohabbat se naam lete hain
Ham mohabbat se naam lete hain
Wo to nafrat se kaam lete hain
Wo to nafrat se kaam lete hain
Is ada se salam lete hain
Is ada se salam lete hain

Samne ho ke bhi hamse milte nahi
Dost dushman ki tarah to jalte nahi
Samne ho ke bhi hamse milte nahi
Dost dushman ki tarah to jalte nahi
Kaun sa wo mukam lete hain
Kaun sa wo mukam lete hain
Is ada se salam lete hain
Is ada se salam lete hain
Jaise kuch intikaam lete hain
Ham mohabbat se naam lete hain
Ham mohabbat se naam lete hain

Yu nogaho khuda ki kasam
Jindagi pe karo aaj toda karam
Yu nogaho khuda ki kasam
Jindagi pe karo aaj toda karam
Ham kaleje ko tham lete hain
Ham kaleje ko tham lete hain
Is ada se salam lete hain
Is ada se salam lete hain
Jaise kuchh intikaam lete hain
Ham mohabbat se naam lete hain
Ham mohabbat se naam lete hain

Log ulfat mein bante hain diwar kyu
Do dilo pe jalta hain ye sansar kyu
Log ulfat mein bante hain diwar kyu
