

Is waade ka matlab kya samjhoon
Is waade ka matlab kya samjhoon
Aasan bhi hai dushwar bhi hai
Aasan bhi hai dushwar bhi hai

Hotho pe hasi abru pe shikan
Hotho pe hasi abru pe shikan
Ikrar bhi hai inkar bhi hai
Ikrar bhi hai inkar bhi hai

Sach kahta hoon teri nazro mein
Kuch aisa niralu jadu hai
Aashiq hai jo teri
Aankho ka achcha bhi hai
Aur bimar bhi hai
Achcha bhi hai aur bimar bhi hai
Is waade ka matlab kya samjhoon
Aasan bhi hai dushwar bhi hai
Aasan bhi hai dushwar bhi hai

Dil deke hume kuchh dard mila
Us dard se phir aaram mila
Acha hai khel mohabbat ka
Kuchh jeet bhi hai kuchh har bhi hai
Kuchh jeet bhi hai kuchh har bhi hai
Acha hai khel mohabbat ka
Kuchh jeet bhi hai kuchh har bhi hai
Kuchh jeet bhi hai kuchh har bhi hai
Is waade ka matlab kya samjhoon
Aasan bhi hai dushwar bhi hai
Aasan bhi hai dushwar bhi hai.
