

Ik aur badhne lage jo  
Ik dor bandhne lage jo  
Ik shor karne lage jo  
Do dil ik chaal chalne lage jab  
Ik dhaal dhalne lage jab  
Ik thaal chakhne lage jab  
Do dil judne lage lage do  
Dilon ke jab kinare udne lage

Hoo dil pe jo bhi bair beeta  
Dil pe jo bhi bair beeta  
Teri khair pe vaar diya  
Jal jala kar jo bhi jeeta  
Tere pyaar pe haar diya  
Humko khud mein shamil kar le  
Abb toh khud ke qaabil kar le  
Rang tumhare rang jayenge  
Sang tumhare sang jayenge

Ho seele seele sapne apne  
Seele seele sapne apne  
Pyar ki dhoop se sookhenge  
Neele naino ki do nehre  
Dil ke baandh se rokenge  
Khaak se khwaabon ko bunn le  
Raakh se bhi khushiyan chun le  
Bhujte jalte chalte jaayein  
Girte uthte badhte jaayein
