

Ishaaro ishaaro mein dil lene waale
Bataa ye hunar tune sikhaa kahaa se
Nigaaho nigaaho mein jaadu chalaana
Meri jaan sikhaa hain tum ne jahaa se

Mere dil ko tum bhaa gaye
Meri kyaa thi is mein khataa
Muze jis ne tadapaa diyaa
Yahi thi wo jaalim adaa
Yahi thi wo jaalim adaa
Ye raanzaa ki baate ye majanu ke kisse
Alag to nahin hain meri daasta se
Ishaaro ishaaro mein dil lene waale

Bataa ye hunar tune sikhaa kahaa se

Wo mohabbat jo karate hain
Wo mohabbat jataate nahi
Dhadakane apni dil ki
Kabhi kisi ko sunaate nahi
Kisi ko sunaate nahi
Majaa kyaa rahaa jab
Ke khud kar diyaa ho
Mohabbat kaa ijahaar apne jubaan se
Nigaaho nigaaho mein jaadu chalaana
Meri jaan sikhaa hain tum ne jahaa se

O maanaa ke jaana-ye-jahaa
Laakhon mein tum ek ho
Humaari ki nigaahon ki bhi
Kuchh to magar daad do
Kuchh to magar daad do
Bahaaron ko bhi naaj jis ful par thaa
Wahi ful hum ne chunaa gulasitaa se
Ishaaro ishaaro mein dil lene waale
Bataa ye hunar tune sikhaa kahaa se
Nigaaho nigaaho mein jaadu chalaana
Meri jaan sikhaa hain tum ne jahaa se
Bataa ye hunar tune sikhaa kahaa se
Meri jaan sikhaa hain tum ne jahaa se

Bataa ye hunar tune sikhaa kahaa se
Meri jaan sikhaa hain tum ne jahaa se.
