

Kamina hai yeh kambakht hai  
Nikamma nigora bebakht hai  
Mile ishq ko kya kya khitab  
Magar ishq kya hai  
Ab hamse suniye janab

Sau baar dil se nikala ise  
Kya kya nahi keh dala ise  
Besharm hai baaz aata nahi  
Kis kis bahane se tala ise  
Phir bhi na dil se gaya  
Ishq hai yeh behaya besharm behaya  
Ishq hai yeh behaya besharm behaya

Sau baar dil se nikala ise  
Kya kya nahi keh dala ise  
Besharm hai baaz aata nahi  
Kis kis bahane se tala ise  
Phir bhi na dil se gaya  
Ishq hai yeh behaya besharm behaya  
Ishq hai yeh behaya besharm behaya

Aankho ke raste se sanso me aata hai  
Phir dil pe kabja jamaata hai yeh  
Do char din mauj masti karaata hai  
Khwabo ke duniya dekhaata hai yeh  
Aashiq ko hanske petaata hai yeh  
Wado ke gane bichhaata hai yeh  
Shatir shikari hai phir pyar se  
Milke hi mauka phasaata hai yeh  
Koi parinda naya  
Ishq hai yeh behaya besharm behaya  
Ishq hai yeh behaya besharm behaya

Behaya  
Mitha zeher hai yeh ang leher hai yeh  
Iske lapete me ana na tu  
Awara badal hai thoda sa pagal hai  
Isko kabhi muhn lagana na tu  
Badnamiyo se yeh darta nahi

Logo ki parwah karta nahi  
Bachpan se bighra huwa hai muua  
Kuchh bhi kaho par sudharta nahi  
Arre aaye na isko haya  
Ishq hai yeh behaya besharm behaya  
Ishq hai yeh behaya besharm behaya

Sau baar dil se nikala ise  
Kya kya nahi keh dala ise  
Besharm hai baaz aaata nahi is  
Kis bahane se tala ise  
Phir bhi na dil se gaya  
Ishq hai yeh behaya besharm behaya
