

Ishq hua, kaise hua
Achha hua jaise hua
Ishq hua, kaise hua
Achha hua jaise hua
Na main jaanoon, na tu jaane
Kyon ho gaye hum deewane
Na main jaanoon, na tu jaane
Kyon ho gaye hum deewane
Arre re re re re
Ishq hua, kaise hua
Achha hua jaise hua

Jhuki jhuki nazarein hai
Ruki ruki saansein hai
Dhak dhak karta hai dil
Jaage jaage armaan hai
Soya soya yeh jahan hai
Chori chori aake mujhe mil
Sun sun sun sun sun sun, sun zara
Gun gun gun gun gaati hai hawa
Sun sun sun sun sun sun, sun zara
Gun gun gun gun gaati hai hawa
Oh, phaili hawaaon mein apni khabar
Pyaar kiya hai to phir kya hai darr
Joshili baatein yun na kar
Pyaar hai to josh bhi hai
Hona hai kya, hosh bhi hai
Na main jaanoon, na tu jaane
Kyon ho gaye hum deewane
Na main jaanoon, na tu jaane
Kyon ho gaye hum deewane
Arre re re re re
Ishq hua, kaise hua
Achha hua jaise hua

La la, la la la
La la la la la la
Na na, na na na
Aah ha ha ha ha

Dheere dheere, haule haule
Haule haule, dheere dheere
Dil ko mili hai manzil
Bheegi bheegi raaton mein
Pyaari pyaari baaton mein
Khoya khoya rehta hai dil
Ruk ruk ruk ruk ruk humsafar
Jhuk jhuk jhuk jhuk jhukti hai nazar

Ruk ruk ruk ruk ruk humsafar
Jhuk jhuk jhuk jhuk jhukti hai nazar
Ek pal hamein tum bin chain kahan
Dono dilon ki hai ek dastaa
Phir bhi hai kyon yeh dooriya
Dekh mujhe, yun na sataa
Hona hai kya, kisko pataa
Na main jaanoon, na tu jaane
Kyon ho gaye hum deewane
Na main jaanoon, na tu jaane
Kyon ho gaye hum deewane
Arre re re re re
Ishq hua, kaise hua
Achha hua jaise hua.
