

Husn tera mere hosh udaayein, kar de mujhko deewana
Dilwiche tera pyaar basa hain, lab pe tera afsaana
Karle soniye pyaar di galla, puchhlein mera haal
Ho gaya mera dil ye sharaabi, dekh ke teri chaal
Ishq huwa tere naal kudiyein ishq huwa tere naal
Ishq huwa tere naal kudiyein ishq huwa tere naal
You drive me crazy everytime i see you
Ishq huwa tere naal
You are my angel you are my destiny
Ishq huwa tere naal

Hain badi meethi teri baatein, dil churaayein mera
Dil mera tere dil ka thikaana, tu hain aashiq mera
Aa jaa maahi aaj tu rajake, nach lein mere naal
Kar le saari pyaar ki galla, sun loon tera haal
Ishq huwa tere naal mudiya ishq huwa tere naal
Ishq huwa tere naal mudiya ishq huwa tere naal
Be your lover boy to the end of time
Ishq huwa tere naal
You are my one can only fantasy
Ishq huwa tere naal

Nikale jab tu saj dhaj ke aise gori
Mere dil ko khinche jaise koyi dori
Roke kisi ke ruke na kadam
Tujh pe hi marte hain hum to sanam
Ishq huwa tere naal kudiyein ishq huwa tere naal
Hold me sweet heart hold me in your arms
Ishq huwa tere naal
Ishq huwa tere naal kudiyein ishq huwa tere naal
You don't know baby how much i love you
Ishq huwa tere naal

Teri hoon main teri kasam se, sun le mere deewaane
Karati hoon main pyaar tujhise, sun le mere parwaane
Ho jaayungi aur kisi ki, kaise socha yaar
Tujhpe hi hain mere dilbar meri jaan nisaar
Ishq huwa tere naal mudiya ishq huwa tere naal

Ishq huwa tere naal muniya ishq huwa tere naal
I will be with you for a life time
Ishq huwa tere naal
I never break your heart my baby
Ishq huwa tere naal.
