

Jo kisi ka habib ho jaaye
Woh bada khush naseeb ho jaaye
Sajda e ishq kariya jisne
Woh khuda ke kareeb ho jaaye

Karle karle karle karle
Karle karle karle karle
Ho sajda karle karle
Sajda karle karle
Sajda karle karle
Sajda karle karle

Sajda karle karle
Sajda karle karle
Sajda karle karle
Sajda karle karle

Kisi kisi ko dil de apna
Kis pe jeele marle
Sajda karle karle
Sajda karle karle
Sajda karle karle
Sajda karle karle

Sajda karle karle
Sajda karle karle
Sajda karle karle
Sajda karle karle

Ishq hi toh rab hain
Ishq hi khuda hain
Ishq hi zameen hain
Ishq aasmaan hain
Pyar ke bina soone dono jahaan hai
Ishq hi toh sach hain
Ishq hi duaan hai
Ishq ke bina kahin chain hi kahaan
Kisi ke banke tu sapna
Kisi ko tu apna karle
Sajda karle karle
Sajda karle karle

Sajda karle karle
Sajda karle karle

Sajda karle karle
Sajda karle karle
Sajda karle karle
Sajda karle karle

Jaaniya aye haaye haaye

Rooh ki raja hain
Jism ki sadaa hain
Noor hain nazar hain
Ashq mein rawaan hain
Chhod ke ise yaaro jeena muhaal hai
Daudta hain rag mein josh mein chhupa hain
Saanson ke suro mein hi ek ye hi basa hain
Kahin hai dil ke andar usi ka gham tu bharle
Sajda karle karle
Sajda karle karle
Sajda karle karle
Sajda karle karle
