

Ishq Karne De Song Lyrics

Come and get a little
Come and get a little
Come and get a little

Let me break this down right now
You're here in west mumbai
Girl i got eyes on you tonight
Looking at you in the evening light
So fine ooh let's get this started now

Karna hai kya mujhe roz roz jaaneyaa
Aahein bharna hai tere ishq mein
Karle yaara mere aitbaar aaj tu
Jeena marna hai tere ishq mein

Meri rooh ke ye taar waar gun guna uthe
Mere dard saare saare dard muskura uthe

Nahi karna kuch mujhko bas ishq karne de
Yeh zidd hai dil ki bas ishq karne de
Nahi karna kuch mujhko bas ishq karne de
Yeh zidd hai dil ki bas ishq karne de

Soneya ji soneya ji soneya ji
Soneya ji soneya ji soneya ji

So seductive the way she dance
Ooh she got it i wanna little bit of this
Little bit of that
Bangles on your wrist
Mehndi on your hands

Oh you got me in a trance
Ooh i fell in love like a bollywood romance
Girl i'm so intoxicated by the perfume that you're

Wearing and the way your hips are moving
You got me sprung think i'm in love

Aankhein hasne lagein aaj bhi o heeriye
Aankhon se jo tujhe chhool loon kabhi
Jo pal yaara teri baahon mein gunzar gaye
Wo pal bhoolu main na bhoolu kabhi

Tujhe dekhta raha subah se shaam ho gayi
Mere dil ki mehfilien bhi tere naam ho gayi
Nahi karna kuch mujhko bas ishq karne de
Yeh zidd hai ab dil ki bas ishq karne de

Nahi karna kuch mujhko bas ishq karne de
Yeh zidd hai ab dil ki bas ishq karne de

Soneya ji soneya ji soneya ji
Soneya ji soneya ji soneya ji
