

Teri baarishein bhigaaye mujhe

You let me out of this prison
I was lost, i was broken-up
Should be let me listen
Even when i'm wrong

Look what you have done
So hard to know
How you light up my world
Made you..took my time to be sure

I been ...
Look what you have done
So hard to say
Why should love me like you love no other
Cause you and me baby
Baby we're a team yeah..

Teri baarishein bhigaaye mujhe
Yahi toh pyar hai

Ae mere dil mubarak ho
Yahi toh pyar hai

Wo i'm in l-l-l-love with you
Wo i'm in l-l-l-love with you
Wo i'm in l-l-l-love with you
Woi'm in l-l-l-love...

Aisa lagta hai kyun
Teri aankhen jaise
Aankhon mein meri reh gayi
Kabhi pehle maine na suni jo
Aisi baatein keh gayi

Look what you've done
So hard to know
How you light up my world
Made you..took my time to be sure
