

Dil ye mera bas teri maane
Main kuch kah doon to muh bana le
Pyar meintere itna deewana
Bas chahta hai tujhko hi paana

Kaise samjhaun is paagal dil ko
Ye karta hai naadaaniyan

Mera ishq slow slow ho raha overflow
Mera ishq slow slow ho raha overflow
Mera ishq slow slow ho raha overflow
Mera ishq slow slow ho raha overflow

Kaise main bataun kitna tujhe chahun
Aankhen band kar loon phir bhi tujhe paun
Dil khud ko bhula ke tujhe yaad hai karta
Teri khateer khud se bhi hai larta

Kaise samjhaun is paagal dil ko
Ye karta hai naadaaniyan

Mera ishq slow slow ho raha overflow
Mera ishq slow slow ho raha overflow
Mera ishq slow slow ho raha overflow
Mera ishq slow slow ho raha overflow

Jara nazar ghuma le mast sama hai
Tere liye hi jannat yahan hai
Lahraati lahre bahti ye hawayein

Tere sur mein hi gun gunaye

Tuhi samjha de is paagal dil ko
Is paagal dil ko ye karta hai manmaaniya

Mera ishq slow slow ho raha overflow
Mera ishq slow slow ho raha overflow
Mera ishq slow slow ho raha overflow
Mera ishq slow slow ho raha overflow.
