

Haaye teri neeli neeli akhiyan
Akhiyan wich jag mera vasda
Mainu ishq sikha gyi ae tu
Hun mera dil naiyo lagda

Hanju, saddi taqeer
Assan hanjuan vich hi rul jaana
Umran tenu yaad rakhna
Tu mainu holi holi bhull jana

Kyun tenu yaad karaan
Har vele faryad karaan
Mar mar ke hun jeena nai
Eh zehr ishq da peena nai

Ishq diyan raahvan sohki na
Dard vich raatan langni na
Sohniye gal meri sun jaa
Tainu mere warga nai labhna

Ishq diyan raavan sohki na
Yaadan vich raatan langni na
Sohniye gal meri sun ja
Tainu mere warga nai labhna

Mukh tere te marde aan
Assi pyar tenu bada karde aan
Tenu mang leya ae rab toh,
Par kismat apni ton darde aan

Ishq da rog pehna te
Assi ishq da rog lagauna nai
Karna nai hun dil da sauda
Te ishq di raah wich jaana nai

Wich saade aa gaye ne dooriyan de faasley
Lagda mainu ehho de ne rabb de faisley
Jeende saah si hun jihdi aas mein
Maar chhadeya ohdi pyaas ne

Ishq diyan raahwaan sohki na

Dard wich raatan langni na
Sohniye gal meri sun ja
Tainu mere warga nai labhna
