

Iss Baarish Mein Lyrics

Ha aa aa

Is baarish mein tum
Bahut yaad aaye

Ye boondein aasmaan se
Barasti rahi
Na jaane kyun phir bhi
Meri aankhein bhar aayi

Is baarish mein tum
Bahut yaad aaye
Is baarish mein tum
Bahut yaad aaye

Bheegi bheegi saansein hain
Aur hook si uthti hai
Tere naam ki khushboo
Hawaaon mein bikharati hai

If like a chaser in the rain
I find you once again
The echoes feel the silence
Like thunder in the distance
I remember you
But nothing feels the same
I'm holding onto moments
That never wash away

Jo baat kabhi keh na saki
Ye baarish keh jaati hai
Har ek bheegi shaam mujhe
Bas teri yaad laati hai

Ek garam si chai aur tera zikr ho
Bas itni si khwahish bheegi shaam ho
Tu paas na hokar bhi
Mere saath nazar aaye
