

Ise ab raz rahne do na chedo saz rahne do  
Kisi ka nam kya lena  
Paraya jam kya lena  
Paraya jam kya lena  
Paraya jam kya lena

Ho pio pio meri nigaho se  
Karo tauba gunaho se  
Karo tauba gunaho se  
Inhi do char bato me yuhi bekar bato me  
Inhi do char bato me yuhi bekar bato me  
Kati rat sari shahar ho gayi  
Ye dunia idhar se udhar ho gayi  
Ye dunia idhar se udhar ho gayi  
Ye dunia idhar se udhar ho gayi  
Ye dunia idhar se udhar ho gayi

Badi masum hai jana mujhe malum hai jana  
Badi masum hai jana mujhe malum hai jana  
Taluk tera hai jinse paresa hai kai din se  
Taluk tera hai jinse paresa hai kai din se  
Nahi acha kiya tune mujhe ruswa kiya tune  
Nahi acha kiya tune mujhe ruswa kiya tune  
Siraro ne najaro se tujhe dekha hazaro ne  
Kise milne tu jati hai  
Kise milkar tu aati hai  
Kise milkar tu aati hai  
Kise milkar tu aati hai  
Kise milkar tu aati hai  
Wo humraz  
Wo humraz wo humnawa kon hai  
Bata sakash wo tisra kon hai  
Bata sakash wo tisra kon hai  
Bata sakash wo tisra kon hai  
Bata sakash wo tisra kon hai

Galat fahmi hai ye chodi  
Hai najuk din na yu todo  
Ye dil hargiz na chutega  
Magar mujrim na chutega

Karo kuch pyar ki bate  
Nigahe yar ki bate  
Hasi tere bahane hai  
Magar hum bhi diwane hai  
Najar kyu jhuk gayi teri  
Juba kyu ruk gayi teri  
Najar kyu jhuk gayi teri

Juba kyu ruk gayi teri  
Bata kon hai  
Bata kon hai bata kon hai  
Bata sakash wo tisra kon hai  
Bata sakash wo tisra kon hai.
