

Kahi khushiyo ke mele hai
Kahi gham ke fasane hai
Issi ka naam duniya hai
Issi ka naam duniya hai

Paraye hai sabhi apne
Sabhi apne paraye hai
Issi ka naam duniya hai
Issi ka naam duniya hai

Bilakhte hai kahi par bhukh se
Bachche garibo ke
Bilakhte hai kahi par bhukh se
Bachche garibo ke
Kahi par hotelo me dawte hai
Nach gaane hai
Issi ka naam duniya hai
Issi ka naam duniya hai

Kahi par aadmi ki laash
Be joro kafan dekhi
Kahi par aadmi ki laash
Be joro kafan dekhi
Kahi par reshmi jode hai
Daulat hai khazane hai
Issi ka naam duniya hai
Issi ka naam duniya hai

Koi lahko ke bangle me
Sukho ki nind sota hai
Koi lahko ke bangle me
Sukho ki nind sota hai
Kahi par tangilo me
Jindagi ke aashiyane hai
