

Haye saari duniya chhodke  
Tera phone uthaya hai  
Chikadanga kadanga  
Tera dil lene ki khatir loan uthaya hai  
Koi toh kimat hogi tere husn ki bol de  
Koi toh kimat hogi tere husn ki bol de  
Baby tell me, baby tell me

Baby tell me, baby tell me

Khauf koi sarsaraaye  
Saans tharr tharr thartharraye  
Kaampti hai jaan naa hai  
Arsh naa zameen hai  
Khauf koi sarsaraaye  
Saans tharr tharr thartharaaye  
Dekh re bar bhi nahi hai jayega kaha  
Taakeede taakeede

Chikadanga kadanga kadanga daanga  
Naa kisine duwa ki naa kisine maanga  
Hai aasma se tapaka hai yaar tu  
Pallu se maa ke lataka  
Hai aasma se tapaka hai yaar tu  
Pallu se maa ke lataka  
Papa ko laga jhataka phir bhi  
Happy birthday to you  
Baby tell me, baby tell me  
Baby tell me, baby tell me  
Chikadanga kadanga baby tell me  
Chikadanga kadanga baby  
Tell me how much.
