

Tu hai main hoon aur
Thoda nasha hai
Nahi koi hum
Jaisa yahaan hai
Gonna break the rules
Baby let it go
Saare wrong aaj
Kar lenge right

It's all about tonight
Night night night night night
It's all about tonight
Night night night night night
Tonight is going right right right

Oh yeah
It's all about tonight
Night night night night night
It's all about tonight
Night night night night night
It's all about tonight
Night night night night night
Tonight is going right
Right right yeah
It's all about tonight

Hai ladkhadaye dono
Hai behke behkaaye dono
Jhoom aise
Zamaana dekhe saara
Hai junoon ab naya
Hai suroor raat ka
Koi roke show
Usey keh de show
Going high i'm flyin' tonight

It's all about tonight
Night night night night night
It's all about tonight
Night night night night night

BHARAT
lyrics

Tonight is going right right right
It's all about tonight
Night night night night night
It's all about tonight
Night night night night night

Baahon mein daaley baahein
Karley hum jo bhi chahein
Masti bhare yeh
Pal khone na dein
Hai junoon ab naya
Hai suroor raat ka
Baby shouting show
Thoda hot hai show
Yehi mauka hai
Make it your night

It's all about tonight
Night night night night night
It's all about tonight
Night night night night night
Tonight is going right right right

BHARAT
lyrics

Oh yeah
It's all about tonight
Night night night night night
It's all about tonight
Night night night night night
It's all about tonight
Night night night night night
Tonight is going right right right
It's all about tonight
