

Cham cham cham cham ghunghru baje nacho gao re
Rang biranga mausam aaya dhum machao re
Cham cham cham cham
Cham cham cham cham
Cham cham cham cham
Cham cham cham cham ghunghru baje nacho gao re
Rang biranga mausam aaya dhum machao re

Dekh chaman me aag lagi hai
Rut jag uthi hai kuch bol kuch bol
Sun jo sake to sun pawan pukare
Teri ghat me shikari aankhe khol
Aakhe khol
Leke angadayi pyare tod re jal sare
Sapno ke bas me na dol
Jago jago swera hua rat gayi
Jago jago swera hua rat gayi

Papi raina papi raina andhera liye gayi sath
Jago jago swera hua rat gayi
Jago jago swera hua rat gayi
Cham cham cham cham ghunghru baje nacho gao re
Rang biranga mausam aaya dhum machao re
Cham cham cham cham
Cham cham cham cham

Dekh diwane aa waqt yahi hai
Sayad ko uth lalkar lalkar
Teer ki nok chupe hai kaliyo me
Har dal bani hai talwar talwar
Man le tu kaha tu mera dusman hua jamana tera
Badhke jamane ko pukar
Jago jago swera hua rat gayi
Jago jago swera hua rat gayi

Papi raina papi raina andhera liye gayi sath
Jago jago swera hua rat gayi
Jago jago swera hua rat gayi
Cham cham cham cham ghunghru baje nacho gao re
Rang biranga mausam aaya dhum machao re

Cham cham cham cham

Dola wo sitam ka raj singhasan
Dekho ujalo ki rat
Saj badal gaye rang badal gaye
Saj badal gaye rang badal gaye
Badal gayi wo hawa
Pinjra tuda ke nacho
Pankh uda ke nacho
Chat gayi dhukh ki ghata
Chat gayi dhukh ki ghata.
