

Jaago narsimha jaago re..
Teri raah chale saare matwale
Jai jai ki goonje lalkare
Hum lugni bandh ke yahin pukare
Varsha ho khushiyon ki navrit murty har taaron ki
Aise khile sada apni muskaane

O saiyaan..

Chhama chham barse re khushiyan
Dama dam goonj rahi khushiyan
Ghama gham khushboo si khole
Sana san saanson mein khushiyan
Badi der se badla hai ye dil ka mausam
Chali taza hawae hole hole madham
Kaliyon ki tarah se khila ab hai harik mann
Ummeed mile ek jyot jhali ashao ki
Waisa hi kal ho jaisa aaj
Dekho na rab ne ye bola
Uski meher se dharti ye
Khushiyon ka jhulati hai jhula
Waisa hi kal ho jaisa aaj
Dekho na rab ne ye bola
Uski meher se dharti ye
Khushiyon ka jhulati hai jhula
Khushiyon ka jhulati hai jhula
Khushiyon ka jhulati hai jhula

Koi sawaal ye puchhe kon hai tera saathi re
To jawaab ye dena janme hum ek hi maati se
Saare khush ho ye ichha hai
Saaro ki khushi ho meri khushi
Hame naaz ho apno pe ae..

Yeh jashn hamari taaqat ka ban jaaye
Hum sukh dukh mein ikdujhe ke kaam aaye
Hum ikdujhe ki dhadkan mein bas jaaye
Sab se pehle ik insaan ho chal ban jaaye

Hais haisa haisa haisa..
Hai hai haisa haisa..
