

Jaam chalne lage dil machalne lage
Anjuman jum uthi, bazm lahraa gai
Baad muddat woh mehfil me kya aa gaye
Jaise gulshan me fasle bahar aa gai

Woh hai saki to phir humko badakashi
Kya chaman ki havish kya baharo ka gam.

Unki rangin nazar jis taraf uth gai
Phool bikhra gai rang barsa gai.

Jindagi ek chaman hai chman hai magar
Is chaman ki baharo-khija kuch nahi
Wo na aaye to samjo khija ke hai din
Woh jo aaye to samjo bahar aa gai.

Shouk pine ka itna jyada na tha
Tarke touba ka koi irada na tha
Par ghatao ne uth kar bahka dia
Kuch tabiyat bhi kambakht lalcha gai.

Ek hi anjuman ek hi sahne gul
Koi dard ashna koi na ashna
Sunke rudade gam ishqe barbad ki
Royee shabanam to gul ko hansi aa gai.

Rang, khushbu, saba, chand, tare, kiran
Phool, shabanam, shubah ki lali, aabju chandani
Unki dilkash jawani ki takmil me
Husne-fitrat ki har chiz kam aa gai.
