

Oo ikk channa rehanda ae padaiyan da fikar
Uto ho ke beth jana tu naraz ve
Nikki jinni jaan utte hegi pareshani kinni
Rakhya ta kar thodi laaj ve

Nikki jinni jaan utte hegi pareshani kinni
Rakhya ta kar thodi laaj ve
Ho eve na tu gusse channa hoye kar
Main ta pehla tere pyar vich haari
Ikko wari jaan kad lai
Dil todeya na kar varo vari
Ikko wari jaan kad lai
Dil todeya na kar varo vari....

Ho pehla nu tu chad hun lagda ni chit
Kuj samaj na aawe tere bin ve
Soni aa ta tere hi pulekhe pende rehanda
Jag jag katte sare din main
Soni aa ta tere hi pulekhe pende rehanda
Jag jag katte sare din main
Aake mukh ta vikha ja sohneya
Aake mukh ta vikha ja sohneya
Aaja vekhni main surat pyari
Ikko wari jaan kad lai
Dil todeya na kar varo vari
Ikko wari jaan kad lai
Dil todeya na kar varo vari....

Ho jida da v ae tu menu lagda pyara
Bohte sohne sunakheya di lod na
Thoda rakhi viswas naiyo chad di main sath
Baki kudia de vich menu jod na
Thoda rakhi viswas naiyo chad di main sath
Baki kudia de vich menu jod na
Muho keh ke bayan nai hunda
Muho keh ke bayan nai hunda
Aa lai chak tere utto jaan vari
Ikko wari jaan kad lai
Dil todeya na kar varo vari
Ikko wari jaan kad lai

Dil todeya na kar varo vari....

Umar nayani vich neend udali
Tod lagdi ae teri channa bali
Hor kite meri tor den na ve doli
Channa taiyo kardi aa main kaali
Hor kite meri tor den na ve doli
Channa taiyo kardi aa main kaali
Ve tu dil padh lena sohneya
Ve tu dil padh lena sohneya
Cheti lai ja nai ta marju kuwari
Ikko wari jaan kad lai
Dil todeya na kar varo vari
Ikko wari jaan kad lai
Dil todeya na kar varo vari....
