

Jaan ki kasam sach kehte hai hum khushi
Ho ya ghum baant lenge hum aadha aadha
Are jaan ki kasam sach kehte hai hum khushi
Ho ya ghum baant lenge hum aadha aadha
Yeh waada haan waada yeh waada raha
Jaan ke kasam sach kehte hai hum khushi
Ho ya ghum baant lenge hum aadha aadha
Thoda tum chalna thoda main
Chaloongi manzil paas aajayegi hooo
Thoda tum hansna thoda main
Hansoongi jab bhi udaasi chajayegi
Yeh waada, haan waada, yeh waada raha
Jaan ki kasam sach kehte hai hum bahut
Ho ya kam baant lenge hum aadha aadha

Kuch tum jalna kuch main jaloonga

Dil main aag jab lagegi hooo
Dono main koi pyaasa raha to dono
Ki pyaas na boojhegi yeh waada
Haan waada, yeh waada raha
Jaan ke kasam sach kehte
Hai hum jo bhi ho sitam
Baant lenge hum aadha aadha
Hoooo hooooo hoooo hooo hoo hoo
Laaaaa laaaaa la laa laa
Hhhmmmmmmmm hhhooo

Kiya hai jo waada sab kuch aadha kahin
Pyaar na aadha reh jaaye
Hoooo aisa nahin hoga aisa hona
Ho to toot ke yeh waada reh jaaye
Yeh waada, haan waada, yeh waada raaha
Jaan ki kasam sach kehte hai hum sab
Kuch balam baant lenge hum aadha aadha
Jaan ki kasam sach kehte hai hum khushi
Ho ya ghum baantlenge hum aadha aadha
Baantlenge hum aadha aadha
Hoo baantlenge hum aadha aadha
Baantlenge hum aadha aadha

Baantlenge hum aadha aadha.
