

Jaan ki ye baazi aakhiri baazi khelenge hum  
Zinda hua to phir se hamme mar gaye hum  
Duniya se aaj uth jayega dushman tera  
Mere dost mere dost mere dost  
Teri kasam teri kasam  
Jaan ki ye baazi aakhiri bazi khelenge hum  
Zinda hua to phir se hamme mar gaye hum  
Duniya se aaj uth jayega dushman tera  
Mere dost mere dost mere dost  
Teri kasam teri kasam  
Jaan ki ye baazi aakhiri bazi khelenge hum

Abhi dekhni thi tujhko duniya ki har bahar  
Tu chal diya abhi se mame karke bekarar  
Jab tak na teri maut ko badla chukayenge  
Dusman to kya hain khud ko  
Maaf kar na payenge  
Duniya se aaj uth jayega dusman tera  
Mere dost mere dost mere dost  
Teri kasam teri kasam  
Jaan ki ye baazi aakhiri baazi khelenge hum

Dil ban ke dhadkati hain sine mein teri yad  
Har sans ban gayi hain teri yad ke fariyad  
Tu chup hua to kya hua jawab denge hum  
Tere khun ke har katre ka hisab lenge hum  
Duniya se aaj uth jayega dusman tera  
Mere dost mere dost mere dost  
Teri kasam teri kasam  
Jaan ki ye baazi aakhiri baazi khelenge hum  
Zinda hua to phir se hamme mar gaye hum  
Duniya se aaj uth jayega dusman tera
