

Jaan meri jaan-e-jaana  
Sang-sang chalen kaheen  
Haathon mein haath tum  
Mere saath ruken na ham kaheen  
Timatimatimaate taare mil ke  
Dete hain roshani  
Jagamag jagamag jagamag jugnu  
Chamakaayen raat haseen  
Tim tim tim tim tim taare den roshani  
Jagamagajag jagamagajag  
Jugnu se raat haseen  
To jhilaayaen us tarah  
Timatimaayen us tarah  
Ham-tum bhi mil ke kyon  
Na jagamagaayen zindagi

Tinake juden to banata hai aashiyaana  
Boonden bhare hain  
Saagar ka paimaana  
Bas usi tarah se bas usi  
Tarah se apne dil milen  
To mausam ho jaaye aashiqaana  
Bharatlyrics.com  
Apne honthon pe hai  
Haradam meetha-miitha ek taraana  
Yaaro apana dil bada hai  
Shaayaraana shaayaraana  
Hamein pata hai ek aag hai udhar bhi  
Pahunchi hai jisaki aanch to idhar bhi  
Hamako pata hai ek aag hai udhar bhi  
Pahunchi hai jisaki aanch to idhar bhi  
Aasara jale ham aasara jale  
Donon ke ishq milen  
To roshan ho jaaye ye jahaan bhi  
Sholaa-shola bhadake zara  
Zarraa-zarra chamake zara  
Jiyaa-jiya sulage zara  
Roan roan damake zara.
