

Jaana hai badal se door
chaya hai pagal soorur
Rahe bhi bechen hai bepanaha
yeh naal hai
Ho naina jage jage ho chaina
dhake dhake
To muskura ke bolana kal ko
solenge
Ho majil mino aage jo dil ko
vo jalwake
To muskura ke bolana kal ko
rolenge

Kehati aai mehafil jo kahani
fus fusake
Keha kahomein yuh uda chal ye
Jubani hai banake rokegi vo
tujhe
Hogo kuch na hasil heematose
jal jalose
Dil jalonke chochalon se
Char pal ke bulbulose tokegi
vo tujhe
Jaana hai badal se door
chaya hai pagal soorur
Rahe bhi bechen hai bepanaha
yeh naal hai
Ho naina jage jage ho chaina
dhake dhake
To muskura ke bolana kal ko
solenge
Ho majil mino aage jo dil ko
vo jalwake
To muskura ke bolana kal ko
rolenge

Har pal imtahahai etkadahai
imtahahai
Fasalon ka ka fila hai roshani
ka darmiya hai
Door hai door hai
Manjil dekathi hai tera manjar
muskurake
Dekh najare to uatake hai
bulata cham chamake
Noor hai noor hai
Jaana hai badal se door
chaya hai pagal soorur
Rahe bhi bechen hai bepanaha
yeh naal hai
