

Ek haat khud ka uata kar khande pe apne rakha hai
Haregi humse ye uljhan khud se humne kaha hai

Hum chale the banane miti ka aashiyana
Kale badal usi din chahate the barasana
Jana hai hum ko jana hai jana hai badalon ke paar
Ohh jahaan pili dhupoon ko pili dhupoon ko humara intajaar

Hum sajaake rahe khabon ka aashiyaana
Kaale baadal mitaake chamkega suraj suhaana
Jana hai hum ko jana hai jana hai badalon ke paar
Ho jahaan pili dhupon ko dhupon ko humara intajaar
Dhup mein chale to chav hone de parayi

Jamke sine mein ko hausale tu kar ladaayi
Hai khada tu yeh sawaal leke iss tarah se
Imtahaan bandagi khuda ne khud banayi
Dhup mein chale to chav hone de parayi
Jamke sine mein ko hausale tu kar ladaayi
Hai khada tu yeh sawaal leke iss tarah se
Imtahaan bandagi khuda ne khud banayi

Kale aandhere hai baithe apani aakho mein aake
Thodasi roshani ko humne bhi rakha bacha ke
Hone do hamaara ?? hai jana hai badalon ke paar
Ohh jahaan pili dhupon ko dhupon ko humara intajaar
Jana hai hum ko jana hai jana hai badalon ke paar
Ho jahaan pili dhupon ko dhupon ko humara intajaar

Dhup mein chale to chav hone de parayi
Jamke sine mein ko hausale tu kar ladaayi
Hai khada tu yeh sawaal leke iss tarah se
Imtahaan bandagi khuda ne khud banayi.
