

Jaanavule Song Lyrics

Baby love you baby
You are so hot baby
Let's go crazy baby

Baby love you baby
You are so cute baby
Let's tie the knot baby

Jaanavule nera jaanavule
Naa jaane nuvvule
Jaanavule vaanivile, alivenivile

Naa moonu nuvvule
Jaanavule

Hey, bangaru kondalaa
Mundunte nuvvilaa
Gorechha endalaa thochaavule

Nee rendu kannulaa
Punnaami vennelaa
Ee chitti gundelo vaalenule

Nuvvu thakita thakita adugu pedithe
Nela nemali kaadhaa
Nuvvu achata ichata edurapadithe
Manasu golusu tenchukodhaa

Baby love you baby
You are so hot baby
Let's go crazy baby

Baby love you baby
You are so cute baby
Let's tie the knot baby

Together together
Prema deshamelukundhamaa
Undhama undamaa undamaa

Forever forever
Okari kosamokaramundhamaa
Undhama undhamaa undamaa

Jaanavule nera jaanavule

Kushalamaa kunuku marachi o nesthama
Kalalatho kalatha nidura nee bandhama
Telusuna maata nerchina mounama
Kalisina kulukuthoti nee snehamaa

Naa edhalo kadhanu modhalupedithe
Mundhu maata needhe
Nee kalava kaluva kanulu palike
Konte basha chepparaadhe

Baby love you baby
You are so hot baby
Let's go crazy baby

Baby love you baby
You are so cute baby
Let's tie the knot baby

Together together
Prema deshamelukundhamaa
Undhama undamaa undamaa

Forever forever
Okari kosamokaramundhamaa
Undhama undhamaa undamaa.
