No way no way na na na no way
No way no way na na na no way
No way no way na na na no way
No way no way na na na no way
Jaane na jaane na jaane
Na jaane jaane na jaane
Na jaane kahaan se aayi hai
Na jaane kahaan se aayi hai,
O jaane kahaan se aayi hai
Kabhi kabhi mujhe deewani lage,
Kabhi kabhi mujhe anjaani lage
Kabhi kabhi hawa ki rawaani lage
Kabhi kabhi phulon ki kahaani lage
Ada se ada nasha se
Nasha churaake laayi hai
Jaane na jaane na jaane
Na jaane jaane jaane
Na jaane kahaan se aayi hai
Na jaane kahaan se aayi hai

Chaandani hai apsara hai
Shaayari hai shaayara hai
Rangato ka daayara hai
Tu kabhi albeli kabhi
Mujhako paheli lage kyun
Ho pyaar ki hai isako juldi,
Dil yeh apana le ke chal di
Behaki behaki ulati sidhi
Aise lehraaye jaise
Hawaan mein udein khushbu
Aasmaan se jannato ka noor laayi hai
Jaane na jaane na jaane
Na jaane jaane jaane
Na jaane kahaan se aayi hai

Na jaane kahaan se aayi hai,
O jaane kahaan se aayi hai

Dur jaake paas aake
Khaayishon ko gudgudaake
Dekhati hai muskuraake
Teri palakon mein hai
Muhabbaton ka naya sapana
Gumshuda si guftagu hai,
Ajanabi si justaju hai
Tu kisi ki aaraju hai
Kahin na kahin toh
Mil jaayega tujhe woh apana
Do jahaan ki raunako
Mein tu hi chhaayi hai
Na jaane na jaane
Na jaane jaane jaane
Na jaane kahaan se aayi hai
Na jaane kahaan se aayi hai,
Tu jaane kahaan se aayi hai
Kabhi kabhi mujhe deewaani lage,
Kabhi kabhi mujhe anjaani lage
Kabhi kabhi hawa ki rawaani lage
Kabhi kabhi phulon ki kahaani lage
Ada se ada nasha se
Nasha churaake laayi hai
Jaane na jaane na jaane
Na jaane jaane jaane.
