

Jaane kyun khwaabon ka  
Mausam hai aur main hun  
Mausam hai aur main hun  
Jaane kyun yaadon ki  
Shabnam hai aur main hun  
Shabnam hai aur main hun  
Yaadein laayi hain  
Khushiyaan bhi aansoo bhi  
Jaane kyun ik aisa

Sangam hai aur main hun

Barse jo rang itne saare  
Rangeen huwe sab nazaare  
Barse jo rang itne saare  
Rangeen huwe sab nazaare  
Lekin mera dil kahin bhi  
Lagta nahin bin tumhaare  
Tumko bas tumko dil  
Dhhundhhe dil maange  
Jaane kyun har lamha ye  
Sitam hai aur main hun  
Ye sitam hai aur main hun  
Jaane kyun khwaabon ka  
Mausam hai aur main hun  
Mausam hai aur main hun..

Ye vaadi ab so gayi hai  
Kohre mein hi kho gayi hai  
Ye vaadi ab so gayi hai  
Kohre mein hi kho gayi hai  
Saari fiza saans roke  
Gumsum si ab ho gayi hai  
Saari duniya mein  
Ab koyi nahin jaise  
Jaane kyun bas mera  
Hamdam hai aur main hun  
Hamdam hai aur main hun  
Jaane kyun yaadon ki

Shabnam hai aur main hun  
Shabnam hai aur main hun  
Yaadein laayi hain  
Khushiyaan bhi aansoo bhi  
Jaane kyun ik aisa  
Sangam hai aur main hun  
Sangam hai aur main hun  
La la la la la la la  
Hmm... hmm... hmm... aur main hun.
