

Jaane kyun khabon mein
Khoi khoi si hai yeh nazar
Hosh mein hun kiske
Ab khud ki nhi hai khabar
Yeh pehli dafa mujhko
Ehsaas hone laga
Ki hai koi jo door
Se paas hone laga
Dil badalne laga
Mujhpe chalne laga jaadoo
Behki hai zindagi
Mera khud pe nhi kaboo

Hua kya hua kya hua
Yeh pyar mujhe bhi
Hua kya hua kya hua
Kya hua kya hua kya hua
Yeh pyar mujhe bhi
