

Aa haa aa haa aa haa
La la la la la la la
Jaane kyun main tujhko
Din raat sochta hun
Jaane kyun main teri
Har baat sochta hun
Yeh paagalpan hai yaa pyaar hai
Yeh kaisa mujhpe khumar hai
Har pal ho tujhse meri
Mulaqat sochta hun
Jaane kyun main tujhko
Din raat sochta hun

Tere khayalon mein khoje rehna
Mera kaam ab yehi hai
Yeh jaan le tu ki pagal dil ka
Paigham ab yehi hai
Paigham ab yehi hai
Ho jaye shaayad koi
Karamat sochta hun

Jaane kyun main tujhko
Din raat sochta hun
Jaane kyun main teri
Har baat sochta hun

Milne ko aksar mile tu mujhse
Phir bhi hain faasle kyun
Dil ki lagi ne banaye hain yeh
Benaam silsile kyun
Benaam silsile kyun
Badlenge kaise ab
Yeh haalat sochta hun
Jaane kyun main tujhko
Din raat sochta hun
Jaane kyun main teri
Har baat sochta hun
Yeh paagalpan hai yaa pyaar hai
Yeh kaisa mujhpe khumar hai
Har pal ho tujhse meri
