

Jaane mere dil mein kaun hai basa  
Khabar na hai ke hai yeh ehsaas kya  
Agar dhundhu bhi toh yaar kis tarah  
Mujhe na hai koi bhi andaaja  
Chaahe dil bas chaahe tera saath  
Haatho mein tu de de haath  
Tu hai woh jo dil mein  
Saanso mein khayalo mein bhi  
Rahe nazre mila tu aa mila tu  
Tu hai aas paas toh  
Saaj e dil bhi gaaye yeh  
Nazre mila tu nazre mila tu

Kuch keh du ya kuch na kahu  
Tujhe jaane jaane kya kya  
Ab chaahu khas main  
Jahaan tu rahu main bhi wahi  
Mere paas tu tere paas main  
Waah nazre mila tu  
Tu hai woh jo dil mein  
Saanso mein khayalo mein bhi  
Rahe nazre mila tu aa mila tu
