

Jaaneman hum se
Jaaneman hum se aaj ek waada karo
Jaaneman hum se aaj ek waada karo
Pyaar karne ka humse iraada karo
Pyaar karne ka humse iraada karo
Chaahe todo chaahe todo
Magar ek waada karo
Chaahe todo magar ek waada karo
Pyaar karne ka humse iraada karo
Pyaar karne ka humse iraada karo

Raat hain chandani chandani raat hain
Dil me taaro bhari utri baraat hain
Raat hain chandani chandani raat hain
Dil me taaro bhari utri baraat hain
Chand suraj tere sab nazaare tere
Tu jo mil jaaye jaan ye sitare tere
Dil ye de du tujhe dil ki aukat kya
Jaan de du tujhe jaan ki baat kya
Teri khatir jiyu teri khatir maru
Marte marte bhi main bas itna kahu
Chahe kam kam karo chahe zyada karo
Chaahe todo chaahe todo
Magar ek waada karo
Pyaar karne ka humse iraada karo
Pyaar karne ka humse iraada karo

Ek tu hai anaar yaha sau hai bimaar
Jo bhi dekhe tujhe use chadhata bukhaar
Ek tu hai anaar yaha sau hai bimaar
Jo bhi dekhe tujhe use chadhata bukhaar
Tere jalawo se koyi yahaan kaise bache
Inn aankhon se nikale talab mein fase
Hai do aatasha tera shola badan
Tere didaar se ho jaaye jashan
Tujhe paane ko main har bagaawat karu
Iss jahan se ladu katlokhaarat karu
Itani chaahat tumhe iss jamaane ne di
Aise aashiq ki kuchh toh khushaamat karo
Pyaar karne ka humse iraada karo

Pyaar karne ka humse irada karo
Jaaneman hum se
Jaaneman hum se aaj ek waada karo
Jaaneman hum se aaj ek waada karo
Pyaar karne ka humse irada karo
Pyaar karne ka humse irada karo
