

Janeman hum se
Janeman hum se aaj ek wada karo
Janeman hum se aaj ek wada karo
Pyar karne ka hum se irada karo
Pyar karne ka hum se irada karo
Chahe todo..
Chahe todo magar ek wada karo
Chahe todo magar ek wada karo
Pyar karne ka hum se irada karo
Pyar karne ka hum se irada karo

Raat hai chandni chandni raat hai
Dil mein taron bhari utri baraat hai
Raat hai chandni chandni raat hai

Dil mein taron bhari utri baraat hai
Chand sooraj tere sab nazare tere
Tu jo mil jaye jaan ye sitare tere
Dil ye de doon tujhe dil ki auqat kya
Jaan de doon tujhe jaan ki baat kya
Teri khatir jiyon teri khatir maron
Marte marte bhi mein bas itna kahon
Chahe kam kam karo chhe ziyada karo
Chahe todo magar ek wada karo
Pyar karne ka hum se irada karo
Pyar karne ka hum se irada karo

Ek tu hai anaar yahan sau hai bimaar
Jo bhi dekhe tujhe usse chadta bukhaar
Ek tu hai anaar yahan sau hai bimaar
Jo bhi dekhe tujhe usse chadta bukhaar
Tere jalwon se koi yahan kaise bache
In aankhon se nikle to lab mein phanse
Hai do aatesha tera shola badan
Tere deedar se ho jaye jashan
Tujhe pane ko mein har baghawat karon
Is jahan se ladon qatl-o-gharat karon
Itni chahat tumein is zamane mein di
Aise aashiq ki kuch to khushamad karo
Pyar karne ka hum se irada karo

Pyar karne ka hum se irada karo
Janeman hum se.

Janeman hum se aaj ek wada karo
Janeman hum se aaj ek wada karo
Pyar karne ka hum se irada karo
Pyar karne ka hum se irada karo
Pyar karne ka hum se irada karo
Pyar karne ka hum se irada karo.
