

Aaj ham ishq kaa izahaar kare to kyaa ho?
Jaan pahachaan se inkaar kare to kyaa ho?
Bhari mahafil me tumhe pyaar kare to kyaa ho?
Koshishe aap ki betaar kare to kyaa ho?

Kahate darati ho dil me marati ho
Jaaneman tum kamaal karati ho
Jaaneman tum kamaal karati ho
Kahate darati ho dil me marati ho
Jaaneman tum kamaal karati ho
Jaaneman tum kamaal karati ho

Aankho aankho me muskuraati ho
Baato baato me dil lubhaati ho
Narm saaso ki garm laharo se
Dil ke taaro ko gudagudaati ho
Arre in sab baato kaa matalab puchhe to
Rag chehare kaa laal karati ho
Jaaneman tum kamaal karati ho

Chup bhi rahie ye kyaa kayaamat hai
Aap ki bhi ajib aadat hai
Itanaa hagaamaa kisaliye aakhir
Pyaar hai yaa koi musibat hai
Jab bhi milate ho jaane tum kyaa-kyaa

Ulte-sidhe savaal karate ho
Jaaneman tum kamaal karate ho

Mastiyaa si fazaa pe chhaayi hai
Vaadiyaa rag me nahaai hai
Narm-sabz-ped shokh phulo ne
Makhmali chhaadare bichhaayi hai
Aah, chhodo sharamaanaa aise mausam me
Tabiyat kyo nihaal karati ho
Ho! Jaaneman tum kamaal karati ho
Jab bhi milate ho jaane tum kyaa-kyaa
Ulte-sidhe savaal karate ho
Jaaneman tum kamaal karate ho
Jaaneman tum kamaal karati ho

Jaaneman tum kamaal karate ho
Jaaneman tum kamaal karati ho.
