

Teri baatein behkaaye dil mera haule haule
Teri khushbu se mann mora dole
Baarish ki bunde jab mera aanchal nam kar jaaye
Meri saanson ko tu hi tu mehkaaye
Chhuna chaahu jab bhi tujhe chhu na paau
Tu chhupa hai mere khwaabon mein
Jaaniye teri aankhon ki yeh roshani
Jaaniye teri mohabbat ki yeh roshani

Teri dhadkan meri dhadkan se jab milati hai
Aasmaan ke saare rang ghul jaate hai
Ungaliya teri mere tan ko yuun chhu jaati hai
Jaise patto pe shabnam gir jaati hain
Ik nasha sa dil pe chha jaata hai jab
Tu chhupaaye mujhe baahon mein
Jaaniye teri aankhon ki yeh roshani
Jaaniye teri mohabbat ki yeh roshani
Jaaniye, jaaniye.....
Jaaniye, jaaniye.....

Teri baatein behkaaye dil mera haule haule
Teri khushbu se mann mora dole
Jaaniye teri aankhon ki yeh roshani
Jaaniye teri mohabbat ki yeh roshani
Jaaniye, jaaniye.....
