

Jaari jaa e hawa shor tu naa macha  
Phoolo ko aa rahi nindiya  
Jaari jaa e hawa shor tu naa macha  
Phoolo ko aa rahi nindiya  
Kinare pe nadiya soyi chain se tu so ja  
Rat ki godi mein sajni mithe sapno me kho ja  
Jaari jaa e hawa shor tu naa macha  
Phoolo ko aa rahi nindiya

Pyar kar ke kyun meri aankh se aansu bahe  
O janam tujh bin kaise jiu  
Kyun hai shital purnima aag ban gayi tere bina  
Aa jao mujhme sama jao  
Pyar me gum beshumar  
Phir bhi yeh gum mitha kyun lage sabko  
Jaari jaa e hawa shor tu naa macha  
Phoolo ko aa rahi nindiya

Parvato ki god mein sandhya kaa suraj so gaya  
Badlo ki odh mein punam kaa chanda kho gaya  
Mere dil mein pyar hai jo kuchh tumhe hogi khabar  
Tumko main toh manta hoon zindagi kaa humsafar  
Pyar mein abb main karu kya aye hawa tu hi bata  
Jaari jaa e hawa shor tu naa macha  
Phoolo ko aa rahi nindiya

Jaari jaa e hawa shor tu naa macha  
Phoolo ko aa rahi nindiy  
Kinare pe nadiya soyi chain se tu so ja  
Rat ki godi me sajni mithe sapno mein kho ja  
Jaari jaa e hawa shor tu naa macha
